.....
,,.,.,.

Ben,

As noted below, we are attempting to schedule a call with DEC, EPA, the Town of Salina, Onondaga County and the City of Syracuse to continue our discussion regarding the local disposal option. Would DEC be available for a call this Wednesday morning (after 10:30) or next Monday?

Best,

-Davon

Subject: Lower Ley Creek: Scheduling Next Call with EPA & DEC re Local Disposal Option

Good morning, all

We are working with EPA to arrange a call with EPA and DEC to continue our group discussion regarding the local disposal option. Lauren Charney has informed us that EPA is available (after taking into account Cooper's availability): Wednesday morning (after 10:30) and Monday next week.

As soon as you can, please let us know your availabilities for a call and we will circulate a dial-in.

Best,

-Davon
